

PRIMARY CARE NURSE, GERIATRICS (permanent, full-time)

The Edmonton Southside Primary Care Network is expanding its team of multidisciplinary health professionals. The Network is a joint venture partnership between a group of South Edmonton Family Physicians and Capital Health. Our goal is to enhance the delivery of primary care service.

In this role you will:

- assist in the delivery of geriatric related syndrome management programs;
- work in conjunction with the physicians, nurse leader and interdisciplinary team to independently conduct comprehensive health assessments and case management.

Primary Care Nurses work with Family Physicians in the community, other health professionals and local and regional programming in a multi-disciplinary environment to ensure a high quality of evidence-based health care to the patient population.

Qualifications for this position:

- BScN with at least 5 years nursing experience or Advanced Practice;
- current CARNA Registration;
- current CPR.

Preference will be given to nurses with experience in primary care/community nursing, gerontology, or chronic disease management.

If you are interested in one of these positions, please submit your resume to:

Janet Schultz, Executive Assistant
Edmonton Southside Primary Care Network
Phone: (780) 735-7749; Fax: (780) 735-7742
