

WE ARE GROWING. JOIN OUR TEAM...

The Edmonton Southside Primary Care Network is expanding its team of multidisciplinary health professionals. The Network is a joint venture partnership between a group of South Edmonton Family Physicians and Capital Health. Our goal is to enhance the delivery of primary care service.

PRIMARY CARE NURSES (permanent, full-time)

In this role you will:

- work to full scope of practice in providing comprehensive nursing services, education and guidance to the patient population of a family practice clinic within the Network;
- work collaboratively with the physician to develop and implement care plans and to provide follow-up with the patient;

PRIMARY CARE NURSE, GERIATRICS (permanent, full-time)

In this role you will:

- assist in the delivery of geriatric programs;
- work in conjunction with the physicians, nurse leader and interdisciplinary team to independently conduct comprehensive health assessments and case management.

Primary Care Nurses work with Family Physicians in the community, other health professionals and local and regional programming in a multi-disciplinary environment to ensure a high quality of evidence-based health care to the patient population.

Qualifications for both positions:

- BScN with at least 5 years nursing experience.
- current AARN Registration
- current CPR

Preference will be given to nurses with experience in primary care/community nursing, gerontology, or chronic disease management

If you are interested in one of these positions, please submit your resume to:
